Greetings West End High School Alumni and Supporters!

Plans for our 2022 National Virtual Reunion are being finalized, and we are excited about classmates coming together again! We look forward to your participation. Registration information is provided in this communication.

We have planned an exciting event and I am sure you will enjoy it. This reunion will include a meet and greet session. In addition, scholarship awards will be presented, and we will be recognizing and honoring Bluestone High School classes of 1970, 1971, and 1972 that went to West End High School. You do not want to miss this historic reunion and engagement with Alumni and Supporters of West End High School. But please feel free to share this information with anyone that we might have missed.

This year is our first virtual reunion, and a zoom link will be sent to those who register. We ask that you register early so that we can get an accurate count of who will be attending. Given the importance of continuing our reunion traditions, it is imperative that we come together and share our voices.

We are elated to celebrate this reunion and to take you back to where it all began. Please know that West End High School Alumni Association continues to encourage chapters to donate to the scholarship competition again this year. All scholarship applications are due by May 31. Download the application from the website. As always, your chapter and national membership strengthens and builds momentum, and your connection is crucial to the success of our scholarship awards each year. If you are unable to attend the 2022 Reunion, please consider making a donation to our Scholarship Fund.

Please make reservations immediately—the deadline date for registration is June 13, 2022. No refunds/No exceptions! (See the registration form for additional information).
